

I am deeply concerned about the plans of Sinclair Broadcasting to air a program that appears to be a campaign piece for one candidate yet presents itself as documentary news. While I understand that they have changed their plans somewhat, I remain concerned about what the one-hour program will be. I strongly encourage the FCC to take action against Sinclair if this program remains a partisan election piece.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
